WARRANTY/REPAIR RETURN FORM

For any goods that are *outside of Warranty terms*, a \$25 Repair Fee will be included in the Repair Quote & the Customer will be required to pay any return freight costs.

Aqua Blue Distribution will not Warrant any repair on goods that have evidence of moisture or moisture damage on electrical components.

IMPORTANT: Please ensure that pumps & wavemakers have been cleaned & dried prior to shipping. Aqua Blue Distribution is not liable for any damage caused to your item during shipment due to improper packing prior to inspection/repairs.

All Unrepaired goods will be disposed of after 6 months in storage.
